## PROFILE

---

Photography for me has always been a form of escapism, a mechanism for converting my internal focus into an introspective interaction with people and my environment. This takes the form of stark reflections, contemplative skies, silhouettes, and landscapes equally lonely with or without a human presence.

## SKILLS

---

Adobe Lightroom, 35mm format film and digital camera systems, black and white film processing and printing, oil and pastel painting, ceramics

## EDUCATION

---

COMMUNITY ARTS CENTER, WALLINGFORD, PA Classes in ceramics, film photography, and painting with oil and pastel	2009-2018
UNIVERSITY OF COLORADO, BOULDER, CO Undergraduate coursework in film and humanities	1994-1996
